

## **Programme details now released**

The 55th EABCT Annual Congress is set to be the largest congress held by EABCT and we would love to see you in Glasgow this September. Held at the Scottish Exhibition Centre from 3-6 September, the EABCT Congress will welcome delegates and speakers from across Europe and the rest of the world from more than 60 countries. It really is an opportunity to learn and take part in a genuine Europe-wide event, with all that Scotland's largest city has to offer. Check out the link below to see what's on!

Registration is open until the congress begins, with Early Bird prices remaining in place for online attendance. Find out more, and join delegates from Belgium to Brazil, Turkey to Thailand, and plenty of places in between - so don't miss out!

We hope to see you there in person but if you are unable to join us then you can access a large number of presentations online in real time. These include the opening plenary session, 20 keynote addresses, 30 symposia, six panel/roundtable debates and nine skills classes, totalling 83 hours. and details are also available on the website. In addition, the online platform will provide access to over 400 posters detailed in the full programme on the congress website.

EABCT2025 will also be running 12 Pre-congress workshops on 3 September and 16 half day workshops during the congress. There is a separate registration fee for the workshops. The Pre-congress workshop must be booked in advance but delegates attending the congress can decide if they want to register to attend one or more in-congress workshops when they arrive, although some may be fully booked by September. All workshop delegates will receive a separate certificate that will include CPD skills.

### **Staying in Glasgow**

If you have not booked your accommodation yet we have a few rooms at the Radisson Red which is located opposite the congress venue. If you would like to book a room (£169 B&B) please get in touch at [eabct@eyas.co.uk](mailto:eabct@eyas.co.uk).
